**Lions are people who are
CRAZY ENOUGH
TO think THEY CAN
CHANGE
THE WORLD
AND WE DO.**

Some of our Projects Parks

Bundaberg Lions Club built North Bundaberg Lions Park in the 1970's. The Japanese Garden was started in the Botanical gardens thanks to a donation from one of our Lion Exchange Students. Bundaberg Lions Club helped with the construction of the Rats of Tobruk Monument and Lions Memorial Park. Installation of a Peace Pole in Buss Park was club project. Many of the parks in our region are thanks to Lions clubs.

Youth Projects

The Club supports a number of youth projects including Lions Youth Of The Year, School Bursaries, Youth Insearch camps and school events.

Barbecues & Sausage Sizzles

The Club has a purpose built BBQ trailer which is put to use at many events. It can operate as a stand alone unit with power and refrigeration. It would enable us to operate under emergency conditions in the event of a disaster.

Emergency Medical Information Book

The Club has been rolling out this life saving book to our community. Visitation to community groups promoting the [EMIB] is an on-going project.

Community

Bundaberg Lions Club formed Meals On Wheels and has supported it ever since with volunteers and funds. Lions Bears are supplied to Police to help with children. Donations are given to groups that feed the homeless.

See Facebook & webpage for much more.
